ESCAPE TO THE BATHROOM

HOTEL INSPIRED LUXURY FOR YOUR HOME

Whether the bathroom serves as your personal retreat or it's a busy family zone, creating a bathroom that is consistent with the style of your home needs careful product selection.

You can easily bring your bathroom to life with our extensive range of showers, baths, basins, tapware and toilets with the help of World of Style and Reece.

Add the finishing touches with stylish bathroom accessories and appliances to create an idyllic sanctuary for you and the kids.

THE KITCHEN: A MULTI-TASKER

THE HEART OF THE HOME

The kitchen is much more than just a place where food is prepared – it is where we gather and chat, share a laugh, direct the household activities, catch up on what's happened in the day, learn new things and entertain.

It can be a place where homework questions are asked, ballet performances are practiced and the world's problems are solved.

So this is a space that needs to work well, look good and be a joy to use. Choose from our selection of sinks and kitchen tapware to complete the look for your new home.

World of Style – Portsea Beach House

THE HUMBLE LAUNDRY

KEEPING THE HOUSE RUNNING

The laundry is the quiet achiever, the dark horse, the engine room of your home. It helps you keep the house and its inhabitants in order.

But even the most functional spaces in the house need to look great. With our extensive range of laundry tapware and troughs, you can create a laundry that matches the style of your home, but is tough too.
